

PAC meeting Feb 8, 2023

Attendance: Brittny, Carmen, Dana, Sarah, Laura

Tracy made a motion to adopt minutes from last meeting, Dana seconded

Welcome by Carmen

Principle Report

- Lots happening: today was SilverStar skiing for Grades 4-5, K-3: had activity day (games, painting, crafts), everyone had fun
- Rock climbing was amazing, kids had a blast and were well behaved
- Pirate loppet- 10 students attended and positive feedback
- Lots of snowshoeing has been happening
- Ready-Set-Learn: 17 kindergarten registrations for the 2023-2024 year, which is good since there are 21 Grade 5's leaving
- Laura's goal would be to have class planning done for June: re how many divisions would have, hoping to have 5 still and it is looking that way but no guarantees yet
- Unplug and play happened
- Smart TV- installed in Amanda's class and training will happen this week

Treasure report

- Not much happening this month: gym of rock and winter activity contribution were both paid from gaming account
- 2 transfer to release

PAC Report

- Winter activity support- Jan 9th, executive meeting was held to support the bussing cost for skiing and give winter activity support. Dana put forth a motion and all executive voted in support of this motion and these funds have been allocated.
- Munch a lunch trial program- off and running
- WCS: sale so far \$700, about \$300.00 profit, not a huge success but at least it's something
- Up coming hot lunches: Monday: hot lunch perogy, Feb 22 stone soup hand out, Feb 28 Pizza Hut
- Gym equipment request: Basketballs, Amanda has been checking things out and is making a list of what is needed
- Basketball is a hit, kids are loving it
- Tent: should we order a tent? Other schools have ordered tents mostly from costco. A motion has made by Dana to have a request up to \$700 to spend on a tent, with the hope of spending less. A 10 X 10 with a roller bag is what was decided. All voted in agreement. Dana will handle the ordering
- School jerseys: Laura has done a little research. It does take a little time to order them so maybe something we should look into this. There can be a varying degree of cost. Carmen will help look into this with Laura.
- LASS is looking for a donation \$250.00, Dana put forward a lotion to approve this request and all agreed to support this. We have enough volunteers for now with regards to the one to one reading and its wrapping up in March. Thanks to Sarah for doing this and the volunteers for donating their time.

- Purdy's Easter fundraiser: Carmen has signed us up. Booklets will go out at the end of the month
- Vulnerable Grant update: we were given \$7,000. The school has spent \$4500 (approx) thus far. Mostly on gift cards, student fees and covering field trips and lunches. It was asked that Laura bring the exact amount spent and left in the kitty so that the PAC can make requests to help support our programs with the remaining funds.
- Farm to table Grant: Carmen will look into this and Laura will help her.

Carmen made a motion to adjourn, seconded by Sarah

Next meeting will be April 5th 6:30 pm in Library at SAW, all welcome!
