- Educan paid for
- Growing Smiles fundraiser - \$373

PAC Report

In an effort to keep our small PAC from dissolving, with no other interested parties, and in recognition that Christy White is an SD83 employee, we would like to make an exception to the constitution and nominate Christy as our acting Secretary for the next term. As an employee, Christy will be unable to vote and will not be granted signing authority. As a parent of the school, we are thrilled to have Christy join our team and help us in the future success' of our school community. Should any other parent at any time be interested in this position, they are welcome to attend a meeting and make themselves and their wishes known.

Brittny Syme was nominated for President by Sarah S. and seconded by Tracy here, then all in favour, no opposition.

Dana Dykman will remain as Treasurer unless there is interest in this position as well.

June PAC meeting will consist of planning for September 2024. The meeting will be held in the library on **June 19th @ 6:30pm**. We welcome any and all parents to join us for our last meeting of the school year!
